Christina Swick
Agent for Colgate-Palmolive
Lewis & Harrison
2461 South Clark St. Suite 710
Arlington, VA 22202

Subject: Notification per PRN 98-10 – Addition of marketing claims, removal of marketing claims per CDPR, and add 3 Alternate brand names
Product Name: Sparkling Citrus Fabuloso Complete Antibacterial Multi-Purpose Cleaner
EPA Registration Number: 4582-74
Application Date: September 17, 2020
Decision Number: 567350

Dear Christina Swick:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Assurance.

The following alternate brand names have been added to the product record:

- Fabuloso Antibacterial
- Lavender Fabuloso Antibacterial
- Fabuloso Antibacterial Lavender

NOTIFICATION

4582-74

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

2/10/2021

ACTIVE INGREDIENT: L-LACTIC ACID.....2.00%

INERT INGREDIENTS:.....98.00%

TOTAL.....100.00%

Kills 99.9% of Bacteria*

KEEP OUT OF REACH OF CHILDREN.

CAUTION: See back panel for additional precautionary statements.

[Insert net contents here]

BACK LABEL:

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To clean and sanitize hard, non-food, non-porous surfaces:

Dilute ½ cup of [insert product name] in a gallon of sterile deionized water and apply to surfaces with a mop, cloth or sponge.

-or-

Apply [insert product name] directly to surfaces with a mop, cloth or sponge.

Leave on surfaces for at least 5 minutes. No rinsing required.

STORAGE AND DISPOSAL: Store in a cool, well-ventilated area inaccessible to small children and pets. Non-refillable container. Do not re-use or refill this container. Offer for recycling if available or discard in trash.

PRECAUTIONARY STATEMENTS:

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

DO NOT SWALLOW. DO NOT HEAT.

Physical or Chemical Hazards: Do not mix with other household cleaners to avoid irritating fumes.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

For general information on product use, etc., call the National Pesticides Information Center at 1-800-858-7378. You may also contact the poison control center at 1-800-222-1222 for emergency medical treatment information
